five/6 Hotel Splendour is a 4-star property in the illustrious area of Geylang. This particular road - Lorong 6 Geylang is on a prime location right on fringe closest to the City Centre(Orchard) and Central Business District(Shenton Way). Marina Bay Sands is not more than 10 mins ride away*. This area surrounding Hotel Splendour, Geylang, is popular amongst locals & tourist for the diverse & delicious food scene, architecture (Lorong 24A Shophouse Series), and temples. Diagonally opposite is Singapore's Sports Hub. Hotel Splendour's spacious rooms are larger than any similarly priced property.

Hotel Splendour's vision is to uplift Geylang by offering higher end rooms, stylish design and attentive service. 8 different room designs are offered over 3 rooms categories. But no matter the category of the room, we have invested in quality beddings for our guests in search for a good nights' sleep, the Serta Royal Platinum mattress, complete with soft premium 400 thread count cotton sheets and full set of plush pillows. 42 TV channels, fast fibre WiFi, complimentary minibar and in-room safe are all standard across all rooms.
